To my Patients,

As some of you may have heard I am retiring from the Brookdale Family Clinic and the Greater Peterborough FHO the end of November. My Family Practice will be assumed by Dr. Omer Maqsood who will start at Brookdale Family Clinic November 15th as a Locum for two weeks then he will begin to roster all of my patients on December 1. I am confident that Dr. Maqsood will provide you with excellent care as he joins the Brookdale Family Clinic.

I very much appreciate Dr. Jeff Neville and N.P.s. Susan Madison and Joanna Charlton who have helped support my practice these past four years. Susan will be moving on to other opportunities. Dr. Neville's future at Brookdale is uncertain at the moment while Joanna Charlton will remain at Brookdale Family Clinic.

While I am moving away from my Family Practice I will continue to work as the Medical Director at Extendicare LTC.

It has been my pleasure to work alongside the wonderful staff at the Brookdale Family Clinic for 42 years. I am grateful to them for their dedication, friendliness, patience and professionalism. I have always felt very privileged to be a Family Physician and I thank all of my patients for entrusting their medical care to me.

I am sure you will be in capable hands with Dr. Maqsood and the Brookdale Team.

Wishing you all the best of health,

Dr. D. Spink
